Re: **APPLICANTS SELECTED TO FILL IN TEACHER
POSITION VACANCIES 2008**

The list posted contains the names of applicants who have been selected to fill in teacher position vacancies for 2008.

As there are only very limited vacancies available in particular for Diploma in Education graduates or ED8A positions, recruitment will continue throughout 2008 as vacancies are created through resignation, deaths and termination. This also applies for degree holders or ED8G positions.

Most of the FCAE graduates taken in this year are those awaiting employment since they graduated in 2005 and 2006.

There is no point coming to the Ministry of Education at this point in time as there are **NO VACANCIES**. The section will continue to contact those who have been selected during the year through the phone numbers you have provided as vacancies emerge. Meanwhile, it is imperative that you continue to upgrade your qualification while awaiting the availability of these vacancies.

I wish to congratulate those that have been selected to join the noble profession.

Attempting to negotiate a change in school you have been posted to as listed is not advisable. You simply need to **ACCEPT OR REJECT** the offer presented to you at this stage.

INDUCTION PROGRAMME

Those who have been selected are to attend an induction program that will be held at the Fijian Teachers Association Hall at 68 Knolly Street, on Thursday 7th of February 2008 at 9.00 a.m.

You must ensure that you present the following documents to the Ministry of Education Officials on the induction day;

I. Original Birth Certificate

II. ORIGINAL DEGREE, DIPLOMA CERTIFICATES and ORIGINAL TRANSCRIPT must be sighted and certified by any of these Secondary Education Officers. Certification from any other source will not be accepted.

III. You must bring the original certificates with a copy that will be certified.

IV. Two passport photos

Failure to produce original documents above may jeopardize your appointment.

You will also be briefed on the relevant PSC and Ministry of Education Regulations and terms and conditions of your work as a Teacher by Officials of the Ministry of Education.

ATTENDING THE INDUCTION PROGRAMME IS COMPULSORY. NON ATTENDANCE WOULD BE TAKEN AS NOT ACCEPTING THE POSITION OFFERED TO YOU.

Your cooperation will be highly appreciated.

Best Wishes

Suliasi Lutubula Director Secondary
