Transferred in from another school in term2

The “transferred in” works the same way as “transferred out” student where dates in terms not attended must be blanked out or removed and place a “Did not attend this term..” in the reasons as shown in figure 1.3

The screenshot shows the FEMIS Student Details page. The 'Attendance' tab is selected. The 'Basic Information' section contains fields for Student ID, Birth Reg No., Gender, Attended ECE, First Name, Other Name, Ethnicity, Surname, Father's name, Date of Birth, Guardian's TIN, Father's TIN, and Mother's TIN. Below this, the 'Show details for:' section shows a table of attendance records for Year 2022, Class 1, Stream 1. The table has columns for Term, Start Date, End Date, Reason, and Term. Red circles highlight the start date '18/08/2022' for Term 2 and the reason 'Transferred in from another school' for Term 2.

Term	Start Date	End Date	Reason	Term
Term 1	(11/04/2022)	(08/07/2022)	Did not attend this term	Term 1
Term 2	18/08/2022	(06/10/2022)	Transferred in from another school	Term 2

Overlapping dates

When the “end date” from the previous schools and “start date” in the new schools OVERLAPS, This also will trigger double entry message on your school home page. Therefore it is greatly important to set the dates not to overlap or even on the same date.
